Local Government Corporation  
Hidalgo County, Texas

Independent Accountant's Report  
on Applying Agreed-Upon Procedures

We have performed the procedures enumerated below, which were agreed to by the Board of Directors of the City of Edinburg, Texas, Local Government Corporation (the "LGC") on the invoices and schedules submitted by Burns Brothers, Ltd. (the "Developer") as of March 31, 2026. These procedures were performed solely to assist the LGC in determining the amount to be reimbursed to the Developer involved and to facilitate the preparation of a comparison of the actual costs incurred with the approved costs as documented on Exhibit C in the Economic Development Agreement.

This engagement to apply agreed-upon procedures was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The appropriateness of the procedures is solely the responsibility of the Board of Directors of the LGC. This report may not be suitable for any other purpose. Consequently, we make no representation regarding the appropriateness of the procedures either for the purpose for which this report has been requested or for any other purpose. The procedures performed are summarized as follows:

- A. We inspected certain schedules and supporting invoices submitted by the Developer in substantiation of the costs to be reimbursed. Our inspection included all documentation supporting items, amounts, and proof of payment for which reimbursement is requested. In addition, we inspected all agreements provided to us relative to the reimbursement request.
- B. We prepared schedules to calculate interest and verified the Developer's interest rate in accordance with the terms of the Economic Development Agreement.

- C. We prepared a reimbursement report for the benefit of the LGC, including the accountant's report and schedule of amounts reimbursable to the Developer, and have compared the amounts for approved costs with the actual reimbursable costs to complete the projects.

The attached Schedule A titled "Schedule of Costs Reimbursable to Burns Brothers, Ltd. (Developer)", sets forth their reimbursable costs. This reimbursement is in accordance with the terms and conditions of the Economic Development Agreement by and among the City of Edinburg, Texas, Hidalgo County, City of Edinburg, Texas Local Government Corporation and Burns Brothers, Ltd. dated June 17, 2008, and the Second Binding Memorandum of Understanding dated March of 2024.

We previously finalized our Agreed-Upon Procedures report dated June 1, 2009, for reimbursement in the amount of \$10,487,707.16, which included interest of \$1,214,820.31. Our Agreed-Upon Procedures report dated March 1, 2011, was finalized in the amount of \$10,917,579.13, which included interest of \$1,580,155.20. The report dated March 16, 2012, showed a reimbursable amount due of \$10,988,939.03, which included interest of \$1,639,015.10. The April 15, 2013, report showed the reimbursable amount as \$11,016,869.94, which included interest of \$1,666,946.01. On June 15, 2014, we updated the reimbursable amount due to \$11,021,415.36, including interest of \$1,671,491.43 through June 15, 2014. The March 31, 2015, report showed the reimbursable amount as \$10,908,750.64, which included interest of \$1,518,826.71. On May 31, 2016, we updated the reimbursable amount due to \$10,774,887.07, which included interest totaling \$1,384,963.14. We updated the reimbursable amount as of February 28, 2017, to \$10,567,204.04, which included interest of \$1,177,280.11. The January 31, 2018, report showed the reimbursable amount as \$10,325,145.76, which included interest of \$935,221.83. The February 28, 2019, report showed the reimbursable amount as \$10,033,543.00, which included interest of \$643,619.07. The January 31, 2020, report showed the reimbursable amount as \$9,694,046.39, which included interest of \$304,122.46. The March 31, 2021, report showed the reimbursable amount as \$9,517,834.32, which included interest of \$127,910.39. The March 31, 2022, report showed the reimbursable amount as \$8,662,768.79, which included interest of \$23,904.80. The March 31, 2023, report showed the reimbursable amount as \$8,122,969.16, which included interest of \$28,054.98. The March 31, 2024, report showed the reimbursable amount as \$7,433,441.01, which included interest of \$31,433.18. The April 30, 2025, report showed the reimbursable amount as \$7,513,480.88, which included interest of \$33,506.19.

In the current report, we have calculated additional interest due from May 1, 2025, to March 31, 2026, less payments made by both the County and City to the Developer. We have revised the total reimbursable amount as of March 31, 2026, including the unpaid amount from prior reports, to \$7,133,037.59, which includes accrued but unpaid interest totaling \$22,888.84. The following changes were made to the original schedule:

1. We previously reviewed actual interest costs submitted by Developer for our reports. The financing agreement stipulates that interest is to be reimbursed at the lesser of the actual rate incurred by the Developer in connection with indebtedness incurred for project costs or 6.00% per annum. The Developer provided documentation to indicate their actual borrowing rates. On October 22, 2014, a Modification and Extension Agreement was executed that lowered the interest rate to 0.5%. We calculated interest on the original amount of \$9,272,886.85 at 6% to be \$1,214,820.31. We added additional invoices and updated interest for 2009 at 3%. We calculated interest on the total due from 2010 through March 1, 2011, at 1.5%, resulting in an increase of \$365,334.89, bringing the total interest due to \$1,580,155.20 on March 1, 2011. Interest was updated in the March 16, 2012, report to \$1,639,015.10. Interest was updated in the April 15, 2013, report to \$1,666,946.01 after interest payments of \$123,845.26 were applied. The June 15, 2014, update included interest of \$1,671,491.43 after interest payments of \$159,142.29 were applied. Interest was updated in the March 31, 2015, report to \$1,518,826.71 after interest payments were applied. The May 31, 2016, update included interest of \$1,384,963.14 after interest payments of \$188,659.56 were applied. We calculated interest through February 28, 2017, and applied payments, bringing the total interest due to \$1,177,280.11. We calculated interest through January 31, 2018, and applied payments, bringing the total interest due to \$935,221.83. We calculated interest through February 28, 2019, and applied payments, bringing the total interest due to \$643,619.07. We calculated interest through January 31, 2020, and applied payments, bringing the total interest due to \$304,122.46. We calculated interest through March 31, 2021, and applied payments, bringing the total interest due to \$127,910.39. We calculated interest through March 31, 2022, and applied payments, bringing the total interest due to \$23,904.80. We calculated interest through March 31, 2023, and applied payments, bringing the total interest due to \$28,054.98. We calculated interest through March 31, 2024, and applied payments, bringing the total interest due to \$31,433.18. We calculated interest through April 30, 2025, and applied payments, bringing the total interest due to \$33,506.19 and added \$961,800.00 for additional reimbursable costs.
2. In the current report, we calculated interest due from May 1, 2025, to March 31, 2026, at the Developer's 0.5% borrowing rate, resulting in an increase of \$33,465.90. We reduced the interest balance from combined payments made under the agreement in the amount of \$1,409,732.88 on June 7, 2024, bringing the total interest due as of August 8, 2025, to \$22,888.84. We also added \$995,823.69 for the construction of the La Sienna Parkway B.

Schedule B compares the actual reimbursable costs due the Developer with Exhibit C of the Economic Development agreement and an estimate of the cost to complete the projects for the LGC.

We were engaged by the Board to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an audit or review engagement, the objective of which would be the expression of an opinion or conclusion on the aforementioned reimbursable costs. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of the Board of Directors and is not intended to be and should not be used by anyone other than this specified party. However, this report is a matter of public record and its distribution is not limited. This report should not be associated with the presentation of any financial data of the LGC except to comply with filing requirements as required by the respective agreements.

We appreciate this opportunity to be of service to you.
